

User Manual for Demand Charge Estimation through Web Self-Service (WSS) Portal

The screenshot shows the Jaipur Discom website interface. A red box highlights the address bar containing www.jaipurdiscom.com. A yellow callout box labeled "Step 1: Access the Jaipur Discom home page" points to the website content. Another yellow callout box labeled "Step 2: Click on 'Apply to WSS'" points to the "Apply to WSS" button in the "Web Self Services" section. A red box highlights the "Apply through Web Self Service" option under "Register Mobile & Email", with a yellow callout box labeled "Tip displayed for user" pointing to it. The website features a navigation menu on the left, a central banner with a map of districts, and a right-hand sidebar with "Online Services" and "Web Self Services" sections. The footer includes contact information for the Call Center and Complaint Through SMS/WhatsApp.

Step 1: Access the Jaipur Discom home page

Step 2: Click on "Apply to WSS"

Tip displayed for user

Upon click at Step 2, the system redirects user to the home page of Web Self Service Portal
